Dear Keith,

I am writing to express my thanks and appreciation for the extraordinary effort which you made to repair and reback the volumes needed for our exhibition. The turnaround time was most impressive and certainly helped us to mount the exhibition on schedule.

I would also like to take this opportunity to commend you on the excellent restoration and rebinding work which you have done for us. Your sensitivity to the period binding requirements of our books and the skill revealed by your excellent workmanship is truly remarkable.

You might be interested to know that samples of the work which you do for us are displayed on the Library's web site as an example of the contribution and support which the Friends of the Library give to our binding and restoration projects.

With many thanks again,

Sincerely yours,
